Autism Society

Southeastern Wisconsin

We continue to strive to improve the quality of life of everyone affected by Autism. With the new 2023 diagnostic rate of 1 in 36, we must continue to accommodate the pressing need for support and programs for people on the Spectrum, their families, and the community across the lifespan. **Together**, we can make a difference in our community.

Because of Your Support...

...over 5,378 individuals within our community were served in 2023 by the programs and services of the Autism Society of SE Wisconsin. One hundred percent of your donation stays in our community and 79 cents of every dollar directly supports a program or service. That's why your generous contributions matter! **Together**, we provide support to help individuals with Autism achieve their quality of life goals.

“Our family would like to thank the Autism Society of Southeastern Wisconsin for sponsoring the Waldvogel’s pumpkin farm event. We appreciate the sensory friendly experience and ability to try new places out in a safe community place. We’d added another treasure to our Fall activity list. It was such a joy to see our son trying new things and stepping out of his comfort zone. Thank you so much for offering events at new and safe spaces for so many family friendly activities!” - Danielle
