

Our school is Making Change for Autism!

Did you know...

Autism is a disorder that is based in the brain.

Autism can affect behavior and communication with others.

You cannot catch Autism.

Autism is a spectrum disorder which means some peoples brains are affected a lot and some very little.

Ask a friend with Autism to play. They may want to join in but don't know how to ask.

Many people with Autism are really good at math, music or drawing!

Please bring in your donation during the Change Champions Donation Drive. Help children with Autism enjoy the same activities & experiences we all love!

OUR SCHOOL IS PARTICIPATING IN THE CHANGE CHAMPIONS PROGRAM THE WEEK OF:

OUR SCHOOL'S FUNDRAISING GOAL IS:
