

Summer 2026

Zoofari Stroll

The Zoofari Stroll helps raise money for Autism United of Wisconsin continue to provide programs, services, and support within our community. Families will also find information and resources to help them navigate Spectrum-related day-to-day safety and education challenges. Lend your support to one of the largest Autism family gatherings in the state, a celebration of coming together to support the futures of everyone impacted by Autism!

This summer, Teams are BACK and bigger than ever, competing for prizes, clout, and largest community impact via team donations! We are deeply grateful for your ongoing support of the Autism United Community, and we eagerly invite you to our *Zoofari Stroll* at the Milwaukee County Zoo! Join us fresh off our 50th Anniversary year for the walk of all walks: it's always been more than a stroll- it's about families supporting families, building community, and most of all, **FUN AT THE ZOO!**

It has gone by different names in the past, but the Walk has always had one unified mission: create an inclusive, safe space where families can relax, find answers to some key questions about their own Autism journey, and perhaps spot a Nigerian Dwarf Goat along the way! It's a day of family fun at at one of the top zoos in the country, with sensory-friendly zones and activities designed to make the day as easy and stress-free as possible for all ages.

This is where you come in!

Please help Autism United create an unforgettable engagement event and a one-stop-shop for families who are looking for information and support on their Autism journey:

We'd love to partner with you in one of the following ways:
